SAINT LOUIS UNIVERSITY FINANCIAL AID CONSORTIUM AGREEMENT POLICY

Saint Louis University may enter into Financial Aid Consortium Agreements with other institutions which provide sound and unique educational experiences which are not available at Saint Louis University. These agreements allow Saint Louis University to process certain types of financial aid for a student's use for no more than one year at the other institution. The deans of individual colleges must evaluate and may approve, on a case-by-case basis, the academic merit of the study-away experience/course work and its transferability to the student's University degree program. Such Financial Aid Consortium Agreements will allow students, contingent on aid program regulations, to utilize only the federal Pell Grant, federal Stafford loan, federal parent loan, federal Graduate PLUS loan and any state or private (non-University) student aid programs in meeting the costs of attendance at the consortium institution.
