COURSE CREDIT HOUR REQUIREMENT

Please list the designated health law courses you have taken and indicate the semester completed. The Center will access your transcript in banner for the purpose of confirming satisfactory completion of at least ten (10) credit hours of designated health law courses.

COURSE

SEMESTER OF ENROLLMENT

PAPER REQUIREMENT

If known, briefly describe the publishable paper you will submit in fulfillment of the requirement. If written for a seminar or directed research, please indicate the Professor/Seminar or Faculty Sponsor.

You must turn in a print copy of the paper to the Program Coordinator.

PRACTICE REQUIREMENT

If known, please explain the practice experience you believe will satisfy the requirement. In-house clinic or an externship clinic through the School of Law in the third year of study will fulfill the practice requirement.

COLLOQUIA REQUIREMENT

Students must attend Distinguished Speaker presentations and the annual Symposia. Students must submit at least three critical summaries before the last semester of law school. Students must submit a total five critical summaries over the course of their law school career.

CAREER GOALS

If known, what are your health law career goals?

ACKNOWLEDGMENT

I acknowledge that I have received information as to the requirements for a health law certificate. I understand it is my responsibility to turn in critical summaries in a timely manner (e.g. within thirty days) and communicate with the Center as to my progress toward the certificate.
